Application Deadline is September 5, 2008. I understand the purpose of Leadership Ontario and I will devote the time and resources necessary to complete the program. LEADERSHIP ONTARIO

The Power of a Leader

True leaders are not those who strive to be first but those who are first to strive and who give their all for the success of the team. True leaders are first to see the need, envision the plan, and empower the team for action.

By the strength of the leader's
commitment, the power of the team is unleashed.

LEADERSHIP ONTARIO

In the great mass of our people there are many individuals of intelligence from among whom leadership can be recruited.

-Herbert Hoover-

LEADERSHIP ONTARIO

The Essence of Leadership

A true leader has the confidence to stand alone, the courage to make tough decisions, and the compassion to listen to the needs of others. He does not set out to be a leader, but becomes one by the quality of his actions and the integrity of his intent. In the end, leaders are much like eagles...they don't flock, you find them one at a time.
