Networking & Leadership Program

Our Mission & Philosophy of Leadership

Ontario Chamber Networking and Leadership Program desires to seek out individuals with the potential to become future leaders in the Ontario business community to enhance and develop their understanding of our community while giving them an opportunity to meet like minded individuals and community leaders in a setting that fosters the exchange of ideas and encourages participants to assume leadership roles in the community.

The Ontario Chamber of Commerce believes the future of Western Treasure Valley is dependent, in large part, on the quality of true leaders. For this reason, we have committed to comprehensive leadership development.
