To graduate from the Networking and Leadership Program, a participant is expected to attend all eight sessions. Sessions will begin in September then proceed one day a month till May 2012. Application Deadline is September 9, 2011. I understand the purpose of the Networking and Leadership Program and I will devote the time and resources necessary to complete the program. Even though emergencies do arise, I understand I may miss only two(2) sessions and still graduate from the course.
